[By the Associated Press.]

Lausanne, Dec. 20.—The sub-commission of builet and knife wounds on their bodies three survivors of the Herrin riots testified today at the trial of five men in connection with the killing of twenty nonunion men last June. They were Joseph O'Rourke, William Cairns and Robert Officer.

Cairns, who followed Robert Officer, Cairns, who followed Robert Officer, the first survivor to take the stand, testified that after the defenders of the mine surrendered under a white final presence out of the proper time, is entitled to his chance to make good. It is apparent.

Lausanne, Dec. 20.—On the eve of what threatened to be a critical day in the life of the Lausanne conference Ambassador Child last night had a long conversation with Ismet Pasha about the straits problem which Lord Curzon yesterday declared must be disposed of immediately.

It has become known that the American observers at the conference believe that an international control commiss on associated with the

believe that an international control commission associated with the League of Nations, as suggested in the allied plan for supervision of the Dardanelles, is unnecessary. In other words, the Americans believe that freedom of the straits should be an actual freedom guaranceed by a treaty between Turkey and the other powers, and that it should not be a freedom limited by an international commission.

The American observers have so far on the conference floor limited themselves to statements of the most general terms of the Dardanelles questions without suggesting as to how the straits should be kent open to the commission.

We marched on until we came to a barb wire fence, with four or five strands, and some one shouted, 'All men with guns line up to the right,' and some one else shouted, 'Now you tellows run,' and the firing started.

selves to statements of the most general terms of the Dardanelles questions without suggesting as to how the straits should be kept open to the commerce of the world and to the fleets of the powers. Neither have there been limitations of America's attitude toward an international board of control with the strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Dardanelles questions without suggesting as to how the Strain of the Glows run.' and the firing started.

"I tried to climb thru the fence but fell with a load of ruckshot in my body. A r.fle bullet grazed my scalp. While I was laying there I saw a blood covered, wounded man leaving against a tree, a big men with a gun came

while I was laying there I saw a blood covered, wounded man leaning against a tree, a big men with a gun came up and said to the wounded man. You great big — can't we kill you? an I he fired into his body."

The witness then pented to Peter I saw a blood covered, wounded man at the lean college and the pented to solve.

Ismet Pasha received a message from Mustapha Kemal today announcing that the American college at Smyrna, which was closed during the fighting there, may re-open, and that the Nationalist government has no objection to the American schools carrying on their work in any part of Turkey.

Ismet Pasha immediately advised the American correspondent at the Nationalist government has no objection to the American schools carrying on their work in any part of Turkey.
